

WHY HIRE GBM?

GBM has a strong track record of delivering quality janitorial services. Remember, “Zero Defects” is our goal!

GBM has committed frontline teammates. Their primary aim is to provide you with peace of mind each and every day.

GBM has a proactive supervisory staff. Our managers and executives proactively seek out & resolve issues, often before you or your customers are even aware of their existence.

GBM has industry-leading training & documentation. Our workforce is well-trained, and all GBM training is documented and verified.

GBM’s capabilities are second-to-none. We have an experienced labor pool, state-of-the-art equipment & tools, and the financial strength to serve your needs.

GBM has a stellar reputation. We’ve been serving clients since 1983. Please check our references to learn more about what others say about us.

“Zero Defects”

Clean Spaces Everyday

SUSTAINABILITY

GBM uses standardized Green Seal chemicals and high recycle content towel and tissue paper throughout our projects to help sustainability initiatives. We help clients meet their recycling goals and increase single stream initiatives through better placement of recycling bins and signage.

At General Building Maintenance, Inc (GBM), “Zero Defects” is our goal. Since 1983 GBM has serviced America’s top corporations including manufacturing plants, schools, resorts/hotels, airports, theme parks, and government facilities. We operate in 20 major US cities and our management team and crews work together to provide exemplary service on every job no matter how large or small.

Beyond exceptional Janitorial Services, GBM also offers landscaping, snow removal, Covid-19 disinfection, MRO services (maintenance, repair, operations), HVAC Filters & LED Lighting upgrades.

We are excited at the prospect of becoming your full-service commercial cleaner.

GBM is an NMSDC/MBE Service Provider certified by the National Minority Supplier Development Council.

LANDSCAPING SERVICES

With GBM's Landscape Management Plan, you'll have confidence that all your landscape maintenance needs are being met. Through our standardized equipment and chemicals, GBM offers solutions that are both sustainable and cost effective.

- Lawn Care
- Groundskeeping
- Weed Control
- Fall Cleanup
- Snow Removal

COVID-19 DISINFECTION

GBM’s Pandemic Cleaning Method includes using both atomizing/fogging devices and hand-wiping those most commonly touched areas – switch plates, elevator buttons, handrails, etc. – using EPA and CDC recommended disinfectants. Our method sanitizes and disinfects even hard-to-reach places.

Viruses can live on hard surfaces for up to two days. As a result, GBM also recommends providing hand sanitizers, sanitizing wipes, or similar supplies throughout your office areas.

GBM’s highly trained, skilled commercial cleaners, wearing appropriate PPE, will first fog all areas using atomizing/fogging devices and then hand wipe hard surfaces that are commonly touched by employees or tenants with EPA-approved disinfectant solutions.

We cover facilities such as, but not limited to, offices, schools, churches, hospitals, medical clinics and factories.

Call us at **(770) 457-5678** or visit www.gbmweb.com to find out more.
